

***Animals 4 Healing***  
*In Partnership with Utah Healing Center*

**Notification Of Animals On The Premises**

We are pleased to announce the arrival of our Canine Companions for Independence service trained facility dog Flower. We also have therapy dogs on the premises, Annabelle, Stout, and Koda.

Flower will be available for therapy sessions with Janet and Janelle on certain days and times. If you are interested in having the dogs be included as part of your therapy, please let your therapist or a director of the facility know. Flower will also be available for certain groups.

If you have concerns with the dogs being here (i.e. allergies, respiratory problems, fears, past incidents with animals), please address these concerns with your therapist, an employee, or a director of the facility and we will do our best to accommodate your concerns. We can try to find a different appointment time for you when the dogs are not in the office or move the dogs into the back of the office to alleviate some of your concerns.

By signing this notification, you are agreeing that you understand the dogs are now an integral part of Animals 4 Healing Center and Utah Healing Center and that if you have concerns, you will speak with your therapist, an employee, or a director of this facility.

If there are two therapists involved in the session insurance will not pay for the session. The fee for working with your therapist at the same time as Janet or Janelle is \$120 per hour.
